

Potential Agenda Items for the May 27, 2020 Board Meeting

Staff is seeking input from the Board regarding additional agenda items for the May 27, 2020 Board meeting. This meeting is tentatively planned to be held at the Big Break Delta Science Center in Oakley.

A tentative list of agenda items beyond the normal standing items include:

- Tour of the Bay Point Habitat Restoration Project
- Nutria Eradication Program Overview by the Department of Fish and Wildlife
