

**Community Enhancement Grant Program Update
Staff Report**

BACKGROUND

The Community Enhancement Grant Program (CEP) refers to a collection of projects that support and enhance communities and economies in the Sacramento-San Joaquin Delta and Suisun Marsh. Projects in this program are currently funded through Proposition 68 California Drought, Water, Parks, Climate, Coastal Protection and Outdoor Access for All Act of 2018 and the Climate Resilience, Community Access, and Natural Resource Protection (CAR) funds. The Proposition 68 Grant Program is designed to promote a robust Delta economy, support the vitality of Delta communities, and allow staff to provide guidance to project proponents as they develop proposals to meet these goals. The CAR is a General Fund allocation and is designed to promote multi-benefit projects within the areas of climate resilience, community access, and natural resource restoration.

The Grant Program requires both a concept proposal and a full proposal. Full proposals are subject to a rigorous review and evaluation process by staff and external professional reviewers (when applicable), and are recommended for funding based upon review, evaluation, and funding availability.

The below table highlights the allocations for Proposition 68 (bond funds) and CAR (general funds). Each funding source has funds allocated for both administration and grants. The amount remaining to be allocated are funds available for new grants.

Community Enhancement Grant Program Funding Sources. ERCA refers to the Ecosystem Restoration and Climate Adaptation Grant Program (Agenda Item 6). Amounts listed in millions of dollars.

PROGRAM UPDATE

As of July 19, 2023, there are 10 active projects and two awarded projects. In the following tables, the DAC/SDAC designations indicates whether the project serves a disadvantaged community (DAC) or a severely disadvantaged community (SDAC), as confirmed by the Delta Conservancy SDAC policy. Proposition 68 requires that 20 percent of the allocation go to projects that support SDAC communities; 20 percent of the Delta Conservancy’s allocation is \$2,400,000. Of the \$3,937,368 for active, awarded, or requested Proposition 68 projects, \$3,559,505 (91 percent) is expected to support SDAC communities.
