

Delta Conservancy 2025 Annual Report

Staff Report

Over the past year, the Conservancy advanced impactful projects and partnerships that strengthen and support the Conservancy's efforts to support natural and working lands, local communities, and long-term ecological restoration efforts. Through collaboration, innovation, and on-the-ground action, this work continues to protect the Delta's unique landscape while supporting its people and economy.

Organized around the goals set in the Conservancy's 2022-2027 Strategic Plan, the Conservancy has prepared an interactive annual report that highlights key accomplishments in 2025.
