Staff Report

This agenda item requests Board approval of updates to the Sacramento-San Joaquin Delta Conservancy General Grant Guidelines.

RECOMMENDATION

Staff recommends Board approval of the updates to the Sacramento-San Joaquin Delta Conservancy General Grant Guidelines.

DESCRIPTION

To maintain consistency with other California Natural Resources Agency (CNRA) entities, simplify the grant application process, and to be more applicable to multiple funding sources, the General Grant Guidelines were revised. The revised version retains the funding priorities, grant information, proposal and award process, and proposal requirements but scaled back detailed information on specific requirements that will be included in the Solicitation Notice for specific funding opportunities.

BACKGROUND

The Sacramento-San Joaquin Delta Conservancy has statutory authority to provide grants to state agencies, local public agencies, and nonprofit organizations to further the goals of the Conservancy (Pub. Resources Code, Section 32364.5). At the July 24, 2024, meeting the Board approved the current Sacramento-San Joaquin Delta Conservancy General Grant Guidelines (GGG). This item is to approve a revised version of the GGG.

SUGGESTED MOTION LANGUAGE:

Move that the Board approve the updates to Sacramento-San Joaquin Delta Conservancy General Grant Guidelines for use in granting funds.
